6) Mr. S.B. Basappa is a second grade Police Inspector now a Salary of Rs 125/-. He was recently taken over to the Prisons Dept and posted as Chief Jailor on Rs 150 ~~[illegible]~~ in grades 150-5-175 in September 1943. It seems to be somewhat too premature as yet to consider the question of giving him the maximum of the grade.

OFFICE OF the Inspector-General of Prisons in Mysore, Bangalore,

Date 8th January 1944.

Pris 31-43-1

To

The Secretary to the Government of His Highness the Maharaja of Mysore, Law Department, Bangalore.

Sir,

In submitting herewith a copy of letter No. C.C. 59/43-44 dated the 3rd November 1943, together with an extract from the confidential report received from the Superintendent Central Jail, Bangalore recommending that Mr. S.B. Basappa, Chief Jailor, may be given the maximum pay attached to his appointment, I have the honour to state that Mr. S.B.Basappa was drafted from the Police Department as Superintendent of the Sub Jail, Sagar and then on the abolition of that Jail, he was transferred as Superintendent, Mysore Jail, Mysore. He is now working in the Central Jail as Chief Jailor on Rs. 150/- in grade Rs. 150-5-175. I have personally inspected his work and I am satisfied that he understands his duties thoroughly. He has been taking keen interest in giving effect to the various changes introduced in the Prison administration, as per recommendations made in the Report on Prison Reforms. He is active and energetic. He has maintained high standard of discipline among the members of the subordinate staff and the prisoners. It is seen from his Service Register that he has had a number of money rewards in the Police Department and also a personal allowance of Rs. 10/- p.m., " on account of his loyal and efficient work during the two Bangalore Disturbances"

As Superintendent of the Mysore Jail Mr. Basappa was drawing a pay of Rs. 200/-. His duties as Chief Jailor of an important institution like the Central Jail are as onerous as those attached to the post of Superintendent of the Mysore Jail. In my note on the recommendations made in the Report on Prison Reforms, I have suggested that the scale of pay attached to the post of Chief Jailor be revised

and fixed at Rs: 150-25/2-250. I recommend that, in the meanwhile Mr. Basappa, Chief Jailor, may, in recognition of his continued good work, be given the maximum pay attached to his appointment, viz., Rs. 175/- This would be an incentive to good work and he would become increasingly useful to the Department.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

Cop of letter no. C.C. 59/43-44 dated the 3rd November 1943 from the Superintendent, Central Jail, Bangalore to the Inspector-General of Prisons in Mysore, Bangalore.

In submitting herewith the representation of Mr. S.S. Basappa, Chief Jailor, for favourable consideration and orders, I have the honour to state that on several occasions I came in contact with Mr. Basappa when he was the Superintendent of Sub Jail, Sagar in my capacity as District Superintendent of Police, Shimoga District and I was struck at his effiency in the management of the Jail affairs. He had to specially deal with Detenues of the most mischievous mentality chosen from other Jails and transferred to Sagar. It had come to my notice that he maintained strict discipline not only among the staff but also among the Detenues and he controlled them so ably with considerable amount of tact and patience though new to the Department. It is to his credit that in spite of many handicaps he started the Jail without delay and with great expediency with a handful of newly recruited warders who were strangers to the locality, himself being unknown at Sagar.

His selection to the post of Chief Jailor of this premier Jail in the State, is, I think done, regard being had t his previous service and merit and his duties here in this short period have helped me to maintain law and order among the prisoners and the detenus and in addition he is doing his best to reduce the pendency of office references. He is also keen in improving the industries of the Manufactory and in the course of a few months I hope to see all the Industries busy and paying. I have great satisfaction in recommending that his request for the maximum pay of the appointment may kindly be complied with in recognition of his services in the department during the period of emergency.
